Beyond 2012 – Level 1

Anne Jones & Helen Barton. A workshop for the new spiritual era inspired and introduced by John the Beloved, channelled by Helen

We are delighted to share with you the process and energies that have enabled us to step into our power, claim and value who we really are. Anne works with you to invoke the energies you will be working with beyond 2012. She will connect you to the energies of the Planetary Being, Solar Logos and Universal Mind. Helen works with you to understand and ground these energies. She will take you beyond resistance to acceptance and enable your own vision for the future. This is the first of three levels that will prepare you to facilitate others to also claim who they be, beyond any limitations they have chosen. We hope you can join us for this special and very powerful event.

Step One: Purchase and watch the DVD Level 1, Beyond 2012. The DVD covers the entire Level 1 workshop. Complete all the exercises that are introduced in this workshop.

Step Two: This half day workshop gives you the opportunity to experience directly the energy work. Anne will channel the energies of the Solar Logos, the Planetary Body and the Universal Mind for you to anchor with your own spiritual energy. Helen will show you how you can integrate these energies and use them to take you and your work forward into 2012 and beyond. This workshop will allow you to step into strengths, see the way forward and become at one with the amazing energies of our world and universe.
