THE MANDARIN SPA AT MANDARIN ORIENTAL, HONG KONG WELCOMES ANNE JONES, SPIRITUAL HEALER

HONG KONG, X JUNE 2011 – Renowned for providing a truly holistic approach to wellness, the award-winning Mandarin Spa at Mandarin Oriental, Hong Kong will feature five Visiting Consultants in Residence throughout 2011, to celebrate their fifth birthday. Each will offer a unique service, ranging from spiritual healing, to face reading.

The fourth consultant will be spiritual healer, Anne Jones, who will be at The Mandarin Spa from 19 to 24 September. Anne is a spiritual healer, published author and international seminar and motivational speaker. She has appeared on TV and radio in the UK, Far East and South Africa and holds regular seminars and workshops. Ann helps people find their own inner strength, releasing attachments to negative attitudes and the effects of unsettling past experiences. Based in the UK, Anne has over 20 years and has a wide following.

Throughout the week clients can book a Personal Healing Session at the start of which Anne will provide a customised consultation to enable her to facilitate an emotional, spiritual and physical self-healing session. The cost of a 45-minute session is HKD1,350.

Alternatively, Anne will offer a series of group workshops throughout the week - “Meditation/energy awareness”, “Healing relationships”, “Cutting cords” and “Is your energy depleted – insights to healing”

Anne understands that every person has an energy field that surrounds them and flows through their body, often referred to as an aura. When one is emotionally and physically balanced this energy flows smoothly, however when one is sick, depressed or below par it is inhibited. One of the benefits of her healing is to clear the aura and as a result people feel lighter, anxieties are lifted and they are more physically relaxed.
