

## Healing Relationships

A seminar to help heal all aspects of relationships with marital partners, business partners, family members, friends and work colleagues.

Revitalise your marriage, clear the air between you and your sister, bring love to your relationships with your children etc.

Seminar includes:

- How you can gain the very best from a relationship
- How to attract loving relationships
- Forgiving past hurts
- What do you see as important in a relationship?
- How to be more tolerant of yourself and those around you
- Clearing the energies that come between you
- Resolving the issues of money, step-children and sex
- Can you be independent in a marriage?
